It's Alright, It's OK- Ashley Tisdale

You told me
there's no need
To talk it out
Cause its too late
To proceed
And slowly
I took your words and walked away

No looking back
I wont regret, no
I will find my way
I'm broken
But still I have to say

[Chorus]
It's Alright, It's OK
I'm so much better without you
I wont be sorry
Alright, Ok
So don't you bother what I do
No matter what you say
I wont return
Our bridge has burnt down
I'm stronger now
Alright , Ok
I'm so much better without you
I wont be sorry

You played me
Betrayed me
Your love was nothing but a game
Portrait a role
You took control, I
I couldn't help but fall
So deep
But now I see things clear

[Chorus]
It's Alright, It's OK
I'm so much better without you
I wont be sorry
Alright, Ok
So don't you bother what I do
No matter what you say
I wont return
Our bridge has burnt down
I'm stronger now
Alright , Ok
I'm so much better without you
I wont be sorry

Don't waist your fiction tears on me
Just save them for someone in need
It's Way to late

I'm closing the door

It's Alright, It's OK

I'm so much better without you

I wont be sorry

Alright, Ok

So don't you bother what I do

No matter what you say

I wont return

Our bridge has burnt down

I'm stronger now

Alright , Ok

I'm so much better without you

I wont be sorry

Knock you Down- Keri Hilson (BR Edit)

[Kanye West]

Keep rockin and keep knockin'
Whether you're Louboutinin' it up, or Reebokin'
You see the hate that they serving on a plater
So what we gon have dessert or disaster?

[Keri Hilson]

I never thought I'd be in love like this
When I look at you my mind goes on a trip
Then you came in and knocked me on my face
Feels like I'm in a race but I already won first place

I never thought I fall for you as hard as I did (as hard as I did,
yeah)
You got me thinking about our life, our house and kids (Yeah)
Every morning I look at you and smile
Cause boy you came around and you knocked me down (knocked me down)

[Chorus]

Sometimes love comes around (love comes around, love comes around)
and it knocks you down
just get back up
when it knocks you down (knocks you down)
Sometimes love comes around
and it knocks you down
just get back up
when it knocks you down (knocks you down)

[Ne-Yo]

I never thought I hear myself say
Ya'll go ahead
I think I'm going to kick it with my girl today
I used to be commander-in-chief ...flying high
Till i met this pretty little missile, that shot me out the sky

So now I'm crashing don't know how it happened
but i know it feels so good
Said if i could go back and make it happen faster
don't you know i would baby if i could
Miss independent, to the fullest, the load never too much
she helping me pull it

girl sometimes love...

Sometimes love comes around (love comes around, love comes around)
and it knocks you down
just get back up
when it knocks you down (knocks you down)
Sometimes love comes around
and it knocks you down
just get back up
when it knocks you down (knocks you down)

[Kanye West]

Tell me now can you make past your caspers
So we could finally fly off into NASA
You was always the cheerleader of my dreams
to seem to only date the head of football teams,
and i was the class clown that always kept you laughing
we were never meant to be, baby we just happened
so please don't mess up the trick,
hey young world, i'm the new slick rick,
they say i move to quick but we can't let this moment past us,
let the hour glass pass right into ashes
let the wind blow the ashes right before my glasses
so i wrote this love letter right before my classes
how could a goddess ask someone that's only average, for advice
o-m-g you listen to that?
woah is me, baby this is tragic
cause we had it, we was magic
i was flying, now i'm crashing
this is bad, real bad, michael jackson
now i'm mad, real mad, joe jackson
you should leave your boyfriend now, i'ma ask him

(When it comes around)

Sometimes love comes around (love comes around, love comes around)
and it knocks you down
just get back up
when it knocks you down (knocks you down)
Sometimes love comes around (comes around)
and it knocks you down
just get back up
when it knocks you down (knocks you down)

La La Land- Demi Levato

I am confident but I still have my moments
Baby, that's just me
I'm not a supermodel, I still eat McDonald's
Baby, that's just me

Well some may say I need to be afraid
Of losing everything, because of where I
Had my start and where I made my name
Well everything's the same in the La La Land machine

Who said I can't wear my converse with my dress
Well baby, that's just me
Who said I can't be single and have to go out and mingle
Baby, that's not me... No no

Well some may say I need to be afraid
Of losing everything, because of where I
Had my start and where I made my name
Well everything's the same in the La La Land machine

Tell me do you feel the way I feel,
Cause nothing else is real in the La La Land appeal

Well some may say I need to be afraid
Of losing everything, because of where I
Had my start and where I made my name
Well everything's the same in the La La Land machine
Well I'm not gonna change in the La La Land machine
I will stay the same in the La La Land
Machine, Machine, Machine

I won't change anything in my life
(I won't change anything in my life)
I'm staying myself tonight
(I'm staying myself tonight)

Live Your Life-TI f/ Rihanna (BusRadio edit)

You're gonna be a shining star,
With fancy clothes, fancy car-ars.
And then you'll see,
You're gonna go far.
Cause everyone knows,
Who you are-are.
So live your life, ay ay ay.
Instead of chasing that paper.
Just live your life (Oh!),
Ay ay ay.
You got no time for no haters.
Just live your life (Oh!),
Ay ay ay.
No telling where it'll take you.
Just live your life (Oh!),
Ay ay ay.
Cause I'm a paper chaser.
Just living my life.

T.I.:

Never mind what haters say, ignore 'em 'til they fade away
Amazing they ungrateful after all the game I gave away
Safe to say I paid the way for you cats to get paid today
You'd still be wasting days away, now had I never saved the day

Consider them my protégé, homage I think they should pay
Instead of being gracious they violate in a major way
I never been a hater still I love them in a crazy way
Some say they sold ya and no they couldn't even work on Labor day

It ain't that they black or white, their hands in areas the shades of gray
I'm west side anyway, even if I left today and stayed away
Some move away to make a way, not move away 'cause they afraid
I brought back to the hood and all you ever did was take away

I pray for patience but they make don't deserve to take a break
Rather see me catch a break then watch my future fade away

Rihanna:

You're gonna be a shining star,
With fancy clothes, fancy car-ars.
And then you'll see,
You're gonna go far.
Cause everyone knows,

Just living my life.

T.I.:
I'm the opposite of moderate,
Immaculately polished
With the spirit of a _____
And the swagger of a college kid.
Allergic to the counterfeit,
Impartial to the politics.

Whoever had problems,
They reconciled
They just holla TIP.
If that don't work
And just fails,
Then turn around and follow TIP.
I got love for the game
But hey
I'm not in love with all of it.
Could do without the fame
And the rappers nowadays are comedy.
The hootin' and the hollerin',
Back and forth with the argueing.
Where you from, who you know,
What you make
And what kind of car you in.
Seems as though you lost sight
Of what's important
With the positive.
And checks
Until your bank account,
And you're about poverted.
Your values is a disarrayed,
Prioritized are horribly.
Unhappy with the riches
Ignoring all prior advise and forewarnings
We might be full of ourselves now all of the sudden aren't we

Rihanna:
You're gonna be
A shining star,
With fancy clothes,
And fancy car-ars.
And then you'll see,

You're gonna go far.
Cause everyone knows,
Who you are-are.
So live your life,
Ay ay ay.

Where it'll take you.
Just live your life (Oh!),

Just living my life (ay),
My life (oh),
My life (ay),
My life (oh)
Just living my life (ay),
My life (oh),
My life (ay),
My life (oh)

So live your life.

Lovebug- Jonas Brothers

Called you for the first time yesterday
Finally found the missing part of me
Felt so close but you were far away
Left me without anything to say

(CHORUS)

Now I'm speechless, over the edge
I'm just breathless
I never thought that I'd catch this love bug again
Hopeless, head over heels in the moment
I never thought that I'd get hit by this love bug again

I can't get your smile out of my mind
[I can't get you out of my mind]
I think about your eyes all the time
You're beautiful but you don't even try
(You don't even, don't even try)
Modesty is just so hard to find

(CHORUS)

Now I'm speechless, over the edge
I'm just breathless
I never thought that I'd catch this love bug again
Hopeless, head over heels in the moment
I never thought that I'd get hit by this love bug again

Kissed her for the first time yesterday
Everything I wished that it would be
Suddenly I forgot how to speak
Hopeless, breathless
Baby can't you see?

Now I'm...

YEAH, OH

Now I'm speechless, over the edge
I'm just breathless
I never thought that I'd catch this love bug again
Hopeless, head over heels in the moment
I never thought that I'd get hit by this love bug again

[ohhh]
Love Bug again
[woo!]

Love Story-Taylor Swift

We were both young when I first saw you
I close my eyes
And the flashback starts
I'm standing there
On a balcony of summer air

See the lights,
See the party the ball gowns
I see you make your way through the crowd
You say hello
Little did I know

That you were romeo you were throwing pebbles
And my daddy said stay away from juliet
And I was crying on the staircase
Begging you please don't go, and I said

Romeo take me somewhere we can be alone
I'll be waiting all there's left to do is run
You'll be the prince and I'll be the princess
It's a Love Story baby just say yes

So I sneak out to the garden to see you
We keep quite cause we're dead if they knew
So close your eyes
Escape this down for a little while
Cause you were romeo I was a scarlet letter
And my daddy said stay away from juliet
But you were everything to me
And I was begging you please don't go and I said

Romeo take me somewhere we can be alone
I'll be waiting all there's left to do is run
[Love Story lyrics from <http://www.lyricsyoulove.com/>]
You'll be the prince I'll be the princess
It's a love story baby just say yes

Romeo save me, then try to tell me how to feel
This love is difficult, but it's real,
Don't be afraid
We'll Make it out of this mess
It's a love story baby just say yes, oh,

I got tired of waiting

Wondering if you would ever coming around
My faith in you was fading
When I met you on the outskirts to town I said

Romeo save me I've been feeling so alone
I keep waiting for you but you never come
Is this in my head, I don't know what to think
He knelt to the ground and pulled out a ring

And said

Marry me Juliet you'll never have to be alone
I love you and that's all I really know
I talk to your dad go pick out a white dress
It's a love story baby just say yes

Oh, oh, oh

Oh, oh, oh, oh

Cause we were both young when I first saw you

Paranoid-Jonas Brothers

I make the most of all the stress
I try to live without regrets
But I'm about to break a sweat
I'm freakin' out
It's like a poison in my brain
It's like a fog that blurs the scene
It's like a vine you cant untangle
I'm freakin' out
Everytime I turn around
Something don't feel right
I might be paranoid
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is,
but it just don't fit
I'm paranoid
Yeah
I take the necessary steps
to get some air into my chest
I'm taking all the doctors meds
I'm still freaking out
That's why my ex is still my ex
I never trust a word she says
I'm runnin' all the background checks
And she's freaking out
Everytime I turn around, something's just not right
Might be paranoid
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is
But it just don't fit
Consider me destroyed
I don't know how to act cause I lost my head
I must be paranoid
I never thought it would come to this
I'm paranoid
Stuck in the room
We're staring faces
Yeah
I'm caught in a nightmare
I cant wake up
If you hear my cry, running through her streets
I'm about to break
Come and rescue me
She might be paranoid
Yeah
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is
but it just don't fit
Consider me destroyed
I don't know how to act
'Cause i lost my head
I must be paranoid
